Ultrasound                      40% off our standard price but must pay in full at T.O.S.

X-Ray                                40% off our standard price but must pay in full at T.O.S.

It is our policy to collect 100% of the self pay bill for CT and MRI but we will honor the discount if patient will put ½ down at T.O.S. and then pay remainder the following month. We will take extreme cases, upon approval from our corporate office, when the second half of bill can be paid out over a 3 month period. Discounts for Ultrasound and X-ray apply only if paid in full at T.O.S.
